# Immerse yourself in a new experience

## Obsessed with the best audio quality.

### MULTIROOM

We offer the ability to play music in multiple rooms, without limits using multi-room audio / video systems. This means that each member of the family can be listening or watching a different or similar multimedia source without interferences each others.

### HI-FI - HIGH - END

Create a broader and deeper sound impression, minimizing any loss to provide you with a sound so real and natural that you feel that they are acting in front of you. We offer the most exclusive Hi-Fi systems, with a unique sound reproduction, providing a clear and natural audio approaching the maximum reality.

### SURROUND

We provide you surround sound systems in order to enrich and increase the quality of reproduction in an unimaginable way, providing speakers of the best quality, located precisely in its sweet spot, in which the effects of audio work optimally to wrap the listener with a 360° sound.

### HIDDEN SOUND SYSTEMS

Aware of the needs of our customers, we offer totally hidden and invisible sound systems for those who want to feel everything without seeing anything. We make integrated installations to the whole, generating a visually cleaner installation and providing the installation of our exclusive hidden speakers to enjoy a perfect sound, without knowing where it comes from.

## Find out the power of your company.

Raise attention, increase the visibility.

Through the videowalls' installation, digital projections, Led totems or digital signage we manage to raise the necessary attention so that your business shows the contents that you want your target audience to know.

Show the most timely visualization at any time, whether you want to show a corporate announcement of your business, exclusive offers, the availability of rooms or conference rooms, the most immediate news or the most important events.

## **We dont make smoke.**

Your needs, our skills.

We pursue the absolute satisfaction of our clients in each project that we carry out. Meet our team to adapt the installation to your most personal preferences without anything different from your original thinking, customized to your real needs.

**Our brands.**  
Synonym of quality.

We work with the best brands in the market to guarantee the highest quality in all the products installed in our projects. Each of these brands offers the highest performance on the market with an exclusive design.
